Clay Play

Empowering Creative Minds

For 25 years, Clay Play has gone beyond arts and crafts. In today's digital age, children often miss out on developing crucial fine motor skills.

Our specialized, occupational therapist -endorsed program uses pottery to strengthen hand muscles and help children reach their potential—all while having fun!

Terms and conditions:

- **Joining Fee:** This annual fee covers admin and electricity, and includes a Clay Play bag.
- **Schedule:** ~8 lessons per term (32/year). No classes on public/school holidays.
- **Missed Classes:** Due to strict venue time slots, missed lessons are non-refundable and cannot be rescheduled.
- **Payments:** Fees are due at the start of the term. Attendance may be suspended if fees are outstanding by lesson 2.
- **Withdrawals:** We require 1 paid calendar month's notice to stop classes.
- **The Process:** Pottery teaches patience! Projects are usually sent home at the end of the term. Please be aware that Load Shedding can affect timelines, and while rare, kiln breakage is a natural part of the pottery learning curve.
